Baptist Housing Celebrates 60 years, and Counting

It started with a single location in South Vancouver. Today, Baptist Housing has grown to 21 senior living communities in British Columbia and commemorates 60 years of impactful senior living. Baptist Housing marked its rich history of serving seniors today with a 60th anniversary celebration at Clarendon Court, where it all started. With a mission to create supportive environments where seniors can thrive and experience an enhanced quality of life, we serve more than 2,750 residents, who are supported by over 2,500 team members. "From affordable seniors rental housing to independent living, assisted living, and long-term care, Baptist Housing continues to innovate and adapt to meet the changing needs of seniors in British Columbia," shared CEO Marc Kinna. "With a focus on resident wellness, community engagement, and spiritual well-being, Baptist Housing remains a trusted leader in senior living success. As we look to the future, Baptist Housing remains dedicated to its mission of enriching the lives of seniors and providing them with a place to call home."

In addition to the 60th anniversary, we marked the occasion by hosting team appreciation events throughout our communities. Witnessing the joyous smiles of team members coming together for barbecues, cake cutting, activities, and recognition was truly amazing. It was also a fantastic time of bonding, connections and showcasing the amazing spirit of our team. Thank you to everyone for all your hard work in serving our ministry together over the past year!
