## Linwood Court Grand Opening

We are delighted to announce the grand opening of Linwood Court, our affordable housing redevelopment in Saanich. We celebrate the provision of 97 new homes, marking a pivotal step in addressing the housing needs of our community. The opening ceremony was a heartfelt event, highlighted by an inspiring speech from Victoria-Swan Lake MLA Rob Fleming, who emphasized Linwood Court's critical role in Saanich. We were also privileged to have Saanich district councillors and our board members in attendance, sharing in the joy of this occasion with a memorable ribbon-cutting ceremony.

Anke, a resident from the former Linwood building, is now happily settling into her new home at Linwood Court. Her joy and gratitude are powerful affirmations of the positive changes this development brings to our residents.

This Thanksgiving, we take a moment to reflect on the collective effort that made Linwood Court a reality. We extend our deepest gratitude to everyone who contributed to this impactful project.

## Blanket Warmers Bring Warmth and Comfort to Sun Pointe Village

Special thanks to the Legion President and The Poppy Campaign Chair for their incredibly generous donation of two blanket warmers to Sun Pointe Village. These blanket warmers wrap our residents in warmth and comfort, making a significant positive impact on their daily lives. Thank you for helping us bring added comfort and warmth to our home.

## Spiritual Care Team Annual Retreat

The spiritual care team recently gathered for their annual retreat at Cedar Springs Christian Retreat Centre, embracing the uplifting theme of "Inspire". This year's retreat featured invigorating TED Talk-style presentations from each chaplain, creating a dynamic platform for inspiration and mutual learning. Our chaplains cherished this chance to build meaningful connections and exchange invaluable experiences. We truly appreciate their dedication to nurturing the spiritual well-being of our residents and team. Their presence is a true blessing, and we are honored to have them as part of our community.

## Love is in the Air

We joyfully celebrated the 32nd wedding anniversary of Barbara and Robert at Evergreen Manor, and the 64th anniversary of Inge and Bud Dalley from Evergreen Heights. These remarkable milestones are a true testament to enduring love. We are grateful for the happiness their love stories continue to offer us all.
